
Tournaments

Posted by monkeybox - 2007/01/19 19:49

Recently moved back to Texas and am looking around for info on weekend soft tip tournaments. The only soft tip tournament info I can find revolves around Fast Eddie's. Are most of the leagues and tournaments around here steel tip? If so, I'll have to find my old set.

Also, is the Cap City Classic soft, steel, or both?

Thanks.

For soft tip information I think your best option is to stop in at one of the tournaments at Fast Eddies and ask around there, the CADA events and league are all steel tipped.

Thats a very valid question regarding steel or soft tip. I think our fliers should note that its steel.

I went to Fast Eddies a few weeks ago for their Thursday soft tip tournaments, but the manager said they hadnt had one for months.
