## Membership Fee, Season Dues and Pub Fee

All new or renewal Capital Area Dart Association (CADA) memberships now last three (3) seasons. The membership fee is still only \$25. CADA no longer prorates this fee. For example, if you join CADA or renew your membership before or during fall season one year, you would pay a \$25 membership fee and have a valid membership until the start of fall season next year. Because season start dates vary each year, the membership period is *about* one calendar year.

Memberships may not be frozen or transferred, and membership fees are nonrefundable. Memberships do not auto-renew and we do not send renewal notices. If you need to speak to us about your membership, please contact the treasurer.

Season dues (the cost to play on a team) are \$10 per player per season *per team*. Some bars will pay or reimburse this fee. The pub fee is \$40 per team per season. Some bars will pay or reimburse this fee.

Enjoy the convenience of paying these monies by email with PayPal's free and secure service. If you prefer, you can give a check payable to Capital Area Dart Association to any member of the board.

If a player is on an active team roster before the season starts, then his or her CADA membership fee, season dues and (if that player is a team captain) pub fee must be paid in full no later than the end of the second (2nd) week of the season. If a player is added to an active team roster after the season starts, then his or her CADA membership fee and season dues must be paid in full no later than seven (7) days after being added to that roster.

This fee schedule is effective January 1, 2020 and is subject to change. CADA reserves the right to charge a fee to nonmembers who wish to participate in special events, including, but not limited to, tournaments.
